TO WHOM IT MAY CONCERN

It is with great pleasure that I highly recommend Mr Nick Sugars of Garden Concepts to you for his timely design, management and completion of landscaping projects.

From his initial appraisal of our landscaping job to the final completion Nick has shown complete dedication and professionalism in ensuring our utmost satisfaction with works being undertaken. At all stages of the project Nick has consulted with us and where possible he has initiated and suggested alternative changes to the betterment of the final design.

All works undertaken by Garden Concepts are always to the highest standard and his teams' friendly, quiet and respectful manner ensures that minimum disturbances are caused to the occupants of the property where the landscaping is being undertaken.

If you are considering undertaking a garden landscaping project of any scale, from minor refurbishments to a complete garden makeover, I cannot over state our complete satisfaction with the project work undertaken by Nick and his team.

Yours sincerely

Dr Paul A. Kitto
